Subject: RE: petition PE 535

This message has been received from an external party and has been swept for the presence of computer viruses.

Steven,
Thanks for this. The Committee considered this response at its meeting on 25 March 2003 and agreed to seek further clarification from the Executive. A letter was issued to the Executive on 26 March 2003 and reminders sent on 19 August and 26 September. Unfortunately, these were addressed to the Health DCLO rather than yourself. They are attached for your information and I'd be grateful if you would let me know when you will be in a position to respond.
Thanks,
Joanne

Joanne

Sorry I was not able to respond promptly yesterday and for any confusion caused. This petition was passed to the Education Department a while ago and we replied to Steve Farrell on 17 Feb - see below. As far as we are aware we do not have any further action outstanding on this one. If you do have any problems then do let me know.

Copy recipients will wish to note that this has been dealt with.
